My name is Josh and I am a boy who likes to play Irish music. I play the guitar and fiddle. I started learning to play the fiddle when I was 7. I started playing the guitar just a month ago. I liked Irish music so much that I went up on stage. I decided to start in Iceland. I flew from Kerry airport. When I landed I got a taxi to a hotel where I stayed the night. In the morning I got my guitar and fiddle. I got another taxi and he drove me to Reykjavik City Theater. This theater only stages between 20 to 25 shows a year-how lucky was I! When my show was over I got 10000 kroners. I then got my stuff and went to the airport and flew to Finland.

When I landed in Finland I went to my hotel. I asked a man how to get to Sivaliustalo. He said it was around the corner (he spoke English). While I It was time to go up on stage. I played for a full hour. After that I signed autographs. Two days later I went to Korkeasaari to visit Helsinki Zoo where I got to see my favorite animal - a gorilla! Then I went to Kiasma Museum and after all that I went the airport. I flew to W

When I landed I went to my hotel. The hotel was a FIVE STAR and it had a swimming pool! Then I went to the New Theater Cardiff. When it was time to go up on stage I got my guitar and fiddle and played for a packed theater. Oh ya, I also met David. After the concert David asked me to come to his school. I agreed and David drove me to the school. When we got to the school there was a sports day on. I entered the three legged race with a stranger. We won the race and I got to stand up on the highest step on the podium. I got a gold trophy. After that we had lunch. I got spaghetti and meatballs, my favorite! Then when it was time to go David drove me to the airport.

I landed in France and I met my friends John, Jack, Ben and Declan. I asked them what were they doing there, they told me that they were on tour. I asked them if I could join them and they said that I could. We went to the Opéra Bastille for the concert. We played our instruments. I played the guitar and the fiddle, John and Declan played the accordion, Ben played the uilleann pipes and the Great Jack O'D sang. On YouTube we got 1.7 million views, we were famous! We went to a night club that night. It was great fun! It was winter when we were in France so we went skiing. After that we went to the airport.

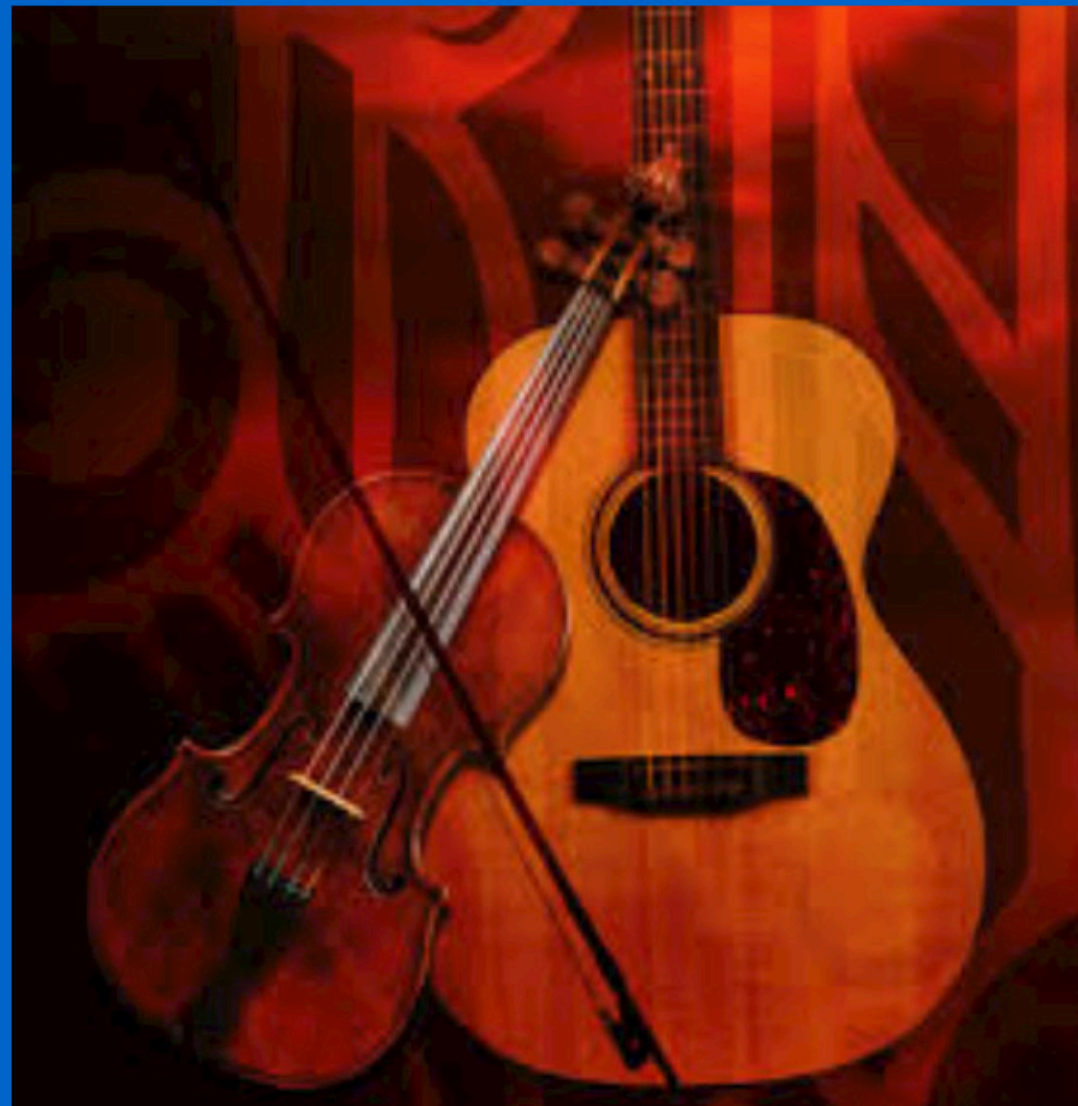

After 2 hours of flying we got to Italy. We didn't stay in a hotel. We went straight to Teatro alla Scala. We played there for an hour and a half. After, we signed some autograph's and rushed to the airport! We all flew home to Kerry together.
THE END.

I hope you enjoyed
